Dear Mrs. Prakken,

Of course, you should know. Perhaps it is for another of your indexes that I sent in a listing.

If you would be kind enough to tell me the cost, the listing I would want is simple, and if you list under titles, I'd prefer that. In fact, if you do not list under titles, I doubt it would do me much good. I hope from now on not to have to be my own publisher.

My two books are:

WHITEWASH: THE REPORT ON THE WARREN REPORT $4.95
WHITEWASH II; THE FBI-SECRET SERVICE COVERUP $4.95.

I would list under my name. My entire address is Hyattstown, Md. Nobody ever heard of Coq d'Or Press.

Could you please forward the enclosed release to the proper person at Publishers' Weekly? Thank you very much.

Sincerely,

Harold Weisberg
